Psychodrama Association for Europe e.V.

Members of the Working Group of the Supervision Committee are:

Éva Varró (Romania) ,Bernd Fichtenhofer (Germany).

Our task is to take care about supervision in our institutional members

- 1/ There are three levels of being supervisor – full, nominated and delegated supervisor. The **Requirements and procedure for becoming a Supervisor of The Psychodrama Association for Europe e.V.** are attached at separate file.
- 2/ The Working Group of the Committee takes decisions about the appointment as Delegated or Nominated supervisor on the basis of the Requirements. These decisions have to be presented to whole Supervision Committee at the meeting once every two years. *Application and all documents must be sent to the Chair of Committee.*
- 3/ The Working Group of the Committee collected the application and the documents from the person who want to become the Full Supervisor on the basis of the requirements and organize the presentation during the meeting of the Supervision Committee. *Application and all documents must be sent to the Chair of Committee*
- 4/ Working Group of the Committee is responsible for list of supervisors and have to know where the supervisors work
- 5/ The Working Group of the Committee has to organize the group and individual supervision in these countries where no supervisors exists.
- 6/ The summary of the supervisors work in each country has to be presented at Supervision Committee meeting. The country/ Institute representatives have to inform the Committee in the regular meeting about presumable situation during next two years in order the Committee can look for solution in the future.
