

On January 20, 2024, at the age of 79, Yuliya Budai passed away.

For many years, Yuliya Budai was an active member of our organization, an active member of the Ukrainian psychodramatic community, supported, participated in many projects, supervised, was our Yulia, wise, creative, strong, courageously confrontational and bright.

It seems that she came to Kyiv quite recently, despite the difficulties, she conducted seminars and supervisions, master classes, which always gathered the maximum possible number of participants. She sincerely shared knowledge, warmth, was a fighter for justice, left many students and a legacy of classical psychodrama.

Yulia is part of a whole era of development of psychodrama in Ukraine, now forever in our hearts.

Bright memory.
